Sources: Law enforcement, district attorney, public defender, and probation personnel surveys (CJSC); *Annual Report of the Administrative Office of the California Courts* (California Judicial Council); and the State of California's *Governor's Budget*.

Notes: Personnel in the Department of Justice and state regulatory agencies are not included.

Counts may not match previously published data due to changes in categories and/or file adjustments.

¹ Law enforcement personnel counts are obtained from a one-day survey taken on October 31. All other personnel counts are taken on June 30. Department of Corrections and Youth Authority personnel are fiscal year counts obtained from the *Governor's Budget*.

² Prosecution, public defense, and probation department survey forms have been revised; beginning in 1996, counts reflect all full-time personnel, regardless of funding.

³ 1999 data includes private attorneys serving under contract as full time public defenders.

⁴ Due to court unifications, the counts for the superior, misdemeanor, and justice courts have been combined.

⁵ Includes court commissioners and referees.
